

DETENTION REPORT

Palang Hitam, July 10th, 2026

AGUSTUS 2025

Whole Indonesia estimated	650 people	
Bandung	43	Reyhardt Dena * Pem Herdi Adit * Noval * Komar *
Jakarta	300	Most of those detained are individuals with no apparent connection to one another, ranging in age from 18 to 25 years old. They were arrested on charges related to vandalism and arson. The majority have not yet received legal representation or assistance from a lawyer.
Surabaya	100	32 individuals who identify themselves as anarchists are currently awaiting court decisions. They are being held at Medaeng Prison. Approximately ten of them have already received legal assistance from lawyers. The remainder either do not have access to legal counsel or have chosen to decline representation by any lawyer.
Jember	5	We have no current credible report yet.
Cilacap	30	Approximately 10 are still on the police custody with no access to lawyer. Those who remain in detention are members of motorcycle gangs who have been held for longer periods due to their alleged involvement in multiple criminal cases mostly unrelated to the demonstrations.
Semarang	30	We have no current credible report yet.
Ciamis	30	We have no current credible report yet.

Solo	15	The individuals concerned were affiliated with various punk groups. According to the most recent reports, they have been released from detention.
Makassar	5	Amal is the detainee who has been most heavily targeted by the state. After being held in solitary confinement since October 2025, Amal has now obtained legal representation and is currently being held in prison while awaiting a court decision.
Other cities	The rest	We have no current credible report yet.

M1 2026

Bandung	13	Mpe * Rifal Kuple * Dani * As for the rest, we have no current credible report yet.
Surabaya	20	Still have no contacts and information about this case.
